DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see response, filed 02/03/2004, with respect to claims 16-35 have been fully considered and are persuasive. The Final rejection of 11/17/2003 has been withdrawn.

Allowable Subject Matter

2. Claims 16-35 allowed.
3. The following is an examiner's statement of reasons for allowance:

A search of the prior art did not reveal a liquid crystal display apparatus and a controlling method comprising a combination of structural elements, more specifically:

(a) An attachment member fixedly attached to a first side of a circuit board and a variable electronic element connected to the attachment member and having an operating member that is accessible through a hole from a second side of the circuit board.

(b) A controlling method of operating the operating member through the hole from the other side while viewing the image.

The prior art of record does not teach the above recited limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
